Katrina Response Team
Team Leader Information
Trinity Church and TouchGlobal, the crisis response ministry of EFCA

February 2013
Covington, LA

We exist to Develop, Empower, and Release the Body of Christ to show His love in times of crisis...to multiply healthy churches among all people.

Mark Lewis, Director
TouchGlobal
Thank You…
Thank you for your willingness to serve on a Katrina Relief Team. Hurricane Katrina has been the costliest storm in U.S. history, displacing over 1 million people and destroying countless homes and businesses in the gulf coast region. New Orleans today, there are still 25,000 Katrina blighted properties representing over 100,000 people displaced. Additionally, 500 churches have not reopened their doors.

This disaster opened a mission field in the New Orleans region, creating the opportunity to build relationships in the neighborhoods we serve in for the purpose of making disciples for the Kingdom and multiplying healthy churches. This is an opportunity to live out your faith by working at the intersection of the Great Commandment and the Great Commission.

Hands and Feet…
Please plan to serve as God leads and be open to ministering to the spiritual, emotional and physical needs of those affected. If you focus on letting the light of Jesus shine through you in all of the details and plans, He will be glorified and you will receive maximum joy. Waiting in line becomes a chance to share Jesus. Sitting through traffic becomes a quiet time. Listening to a homeowner share their story becomes a chance to encourage another and learn a new culture and grow relationally. Living every moment as a conduit for Christ can become life changing in this fertile environment! Your ministry investment will add to ongoing church planting partnership efforts.

All the People of the World…
We serve all of God’s people: rich, poor, all colors, shapes and sizes. Though sent to do work tasks, we are ultimately in a position to be Christ-like servants by loving homeowners and their neighbors. We have a unique chance to be Jesus in the flesh to someone who perhaps has never met Him….someone who never gave a thought to the need for a Savior in their life. We are about the people, not the work.

“That’s Just the Way I Like It!”
Flexibility is crucial for all short term missionaries - which is what you are by partnering with us on this trip! No one knows what God will bring your way or ask you to do. Be ready for the unexpected by eliminating preconceived expectations. In this ministry, when things don’t go according to schedule or in the way that you think things should go, our adopted slogan is, “That’s just the way I like it!” It reminds us that God is in control and my plan is quite sub par to His. Your success in this ministry is truly measured by your obedience to God. A willing spirit and open mind will enable wonderful engagements between you, your team members, and homeowners. Please consider using the “Release of Rights” contract (included in this packet) with your team to prepare you for a week of short term missions!

Join the Revival
Our prayer is that after you leave the Gulf Coast, you will keep this experience in the forefront of your mind, and bring home the idea that serving God’s people can happen right in your own back yard! While here, we hope God will ignite new ideas and passions in your heart and you and the members of your team will return home with a desire to serve the Lord in new and meaningful ways!

Serving Him in constant awe,

TouchGlobal Staff

Please fill out the Team Skills Worksheet in this packet and email it back to katrinarelief@efca.org at least four weeks before you arrive so that we can plan work according to your skills. Much of what you will be assigned will relate to the skills of your team members. However, please be flexible and willing to do whatever is needed when you come.

PRE-FIELD WORK TRAINING: Many potential work assignments include various aspects of reconstruction. In order to better prepare your team for the physical reconstruction, and in order to help build team unity, we suggest that you contact your local home improvement store, requesting them to provide some training classes for basic reconstruction elements, such as drywall hanging and finishing; painting; or roofing. We have found that most stores will even schedule special classes for your group, especially when they know that you’ll be working in Katrina recovery. An alternative idea is to utilize a contractor in your church to hold such training classes, or perhaps even work with that contractor to help a needy person in your own community, learning while serving.

PRE-FIELD MINISTRY TRAINING: Since the focus of our ministry is people, we ask that you, as part of your team building and trip preparation, engage in at least 3 teams meetings to pray for the trip; to study God’s word in relation to compassion, service and sharing the Gospel; to build team relationships; and to coordinate logistics for the trip. We also suggest that you consider serving as a team in your own community prior to coming to LA.

TEAM MANAGEMENT: Please be flexible with us as specific work assignments may require you to make changes to your sub-teams throughout the week. Each sub-team should designate “the chosen one” to work with our staff daily to get their needed equipment and tools. Each day, the sub-team leaders will be provided with contact information, directions and maps to their work sites. You are responsible for transporting your team and the tools to the site each day.
**T-SHIRT:** You will be provided with one TouchGlobal T-shirt when you arrive. We ask that you wear this shirt daily when working in N.O. Additional shirts may be purchased on site for $10.

**TRIP EXPENSES:** To sustain the volunteer response over the long term duration of the recovery, the total cost of your week stay will be $275 per person.

**DEPOSIT:** To guarantee your reservation FAX in your application to our office (985.893.0175). After your date has been confirmed with our hosting staff, send a $25 per person non-refundable deposit to hold your reservation. Send one check for the deposit made payable to EFCA with the deposit payment form. (Found in this packet)

**BALANCE PAYMENT:** The balance of $250 per person for the week is due **14 days prior** to your arrival date. Send one check for the total balance, made payable to EFCA, with the balance payment form. (Found in this packet)

**Note:** ‘Katrina Response Team Deposit’ or ‘Katrina Response Team Payment’, and the name of your church in the memo line. It should be sent to:

TouchGlobal  
19380 N. Tenth Street  
Covington, LA 70433

All travel, incidental costs and lunches are the team's responsibility.

**SLEEPING ARRANGEMENTS:** Each individual will need bed linens, or a sleeping bag, and a pillow. You will sleep in the warehouse on bunk beds (with mattresses provided) or in class rooms on **your** air mattress. - **TWIN SIZE ONLY.** Contact katrinarelief@efca.org (your hosting coordinator) to verify sleeping arrangement the week before you depart. Occasionally per Trinity Church’s request, we will have to re-arrange the dormitory structure to meet the ministry needs of the Church. There is storage available for personal belongings during those times. **PLEASE DO NOT BRING QUEEN OR DOUBLE SIZE AIR MATTRESSES SINCE THERE IS LIMITED SPACE FOR SLEEPING! (No Cots Please)**

**MEALS:** We provide teams with breakfast and dinner, Monday through Friday morning. Sunday and Friday dinner is your responsibility. Each work team should come prepared to bring their own stocked cooler to the worksite each day for lunch and water breaks. We can provide one 5 gallon igloo and ice (as much as we can). The supermarkets here are close by.

**SHOWERS:** We have showering facilities on site: 2 showers for men and 2 for women in the warehouse plus an outside shower trailer with 3 stalls each for men and women. Bring your own towels, soaps and other toiletries. Cleaning responsibilities for the showers and bathrooms are assigned daily.

**TRANSPORTATION:** If your team chooses to fly, you will need to arrange for rental vehicles. You may fly into New Orleans (the closest and easiest choice), Baton Rouge, or Gulfport, MS. New Orleans Intl Airport car rental numbers:

**For example:**

A team of 10 people for one week:  
Scheduling deposit: 10 x $20 = $200  
Balance of Team fees: 10 x $230 = $2300  
Total Trip Cost: $2500
You may also check with our office as we may have a vehicle available for your use in lieu of renting. If this option is available, we ask that you plan on buying gas and make a donation to help us offset our vehicle operating costs.

Because it is very difficult for buses to travel in New Orleans inner city neighborhoods, it may be necessary to rent vehicles in Covington to travel to your job sites. You should plan on traveling up to 100 miles a day.

SOME OTHER THINGS TO CONSIDER…

*Rest!
An overly tired worker may not be able to minister effectively when opportunities arise. It is important that everyone pace themselves throughout the day.

*Humidity
Be aware that during the late spring, summer and fall months it is extremely humid in Southern Louisiana. Be prepared to pre-hydrate by consuming a lot of water and limiting caffeine intake. Wearing light colored loose clothing is also helpful.

*Risk:
The work sites will by nature have risks associated with them. Your safety is not guaranteed. We ask that each team member read and sign the EFCA Waiver and Indemnity Agreement. The waiver sheets must be completed before you can be admitted to the work site and should be submitted before you leave for this trip. Anyone under the age of 18 must get a parent or guardian signature to sign the waiver. Also, while at work sites, wear long pants and closed, heavy-soled shoes or boots. Safety goggles are also recommended. A Tetanus immunization within the last 10 years is required.

*Local area information:
Covington is a suburban area located on the North Shore of Lake Pontchartrain, approximately 45 minutes directly north of New Orleans. Wal-Mart, Home Depot, grocery stores, pharmacies, gas stations, etc. are in very close proximity to the church.

*Traffic!
Trinity Church is located two blocks off of US Hwy 190, a highway that goes through Covington. Traffic at times can be very heavy. It may be frustrating, but this is a chance for us, as representatives of Trinity Church and more importantly, Christ, to be a shining light in the community. We ask that you exercise patience and understanding while you are waiting in traffic.

*Other potential costs:
Some of the assigned work projects will require you to cross the 24-mile Causeway Bridge to New Orleans with your team. Tolls cost $3 per car, $3 per additional axle for trailers, and are only collected on the southbound side of the Causeway Bridge. Tolls must be paid in cash.

*Wi-Fi – We DO have wireless internet at if you’d like to bring your wireless capable laptop to update your blog or send pictures home. We DO NOT have computers available for your use.

PREPARATION FOR HURRICANE SEASON

It’s important to keep in mind that hurricanes are predictable and we would be informed in plenty of time to respond and evacuate our teams and staff if needed, prior to a hurricane arriving. The safety of our staff and teams is a top priority. We hope that you will not change your travel plans without communicating with us while we work through hurricane season. Thank you!

If you have any concerns or questions, don’t hesitate to call or email us!
**RELEASE OF RIGHTS**

We live in a world that is full of rights. Our particular culture is one where we take pride in our rights. As a matter of fact, the rights of individuals are constitutional! As we see the demanding of individual rights increase, we see much of the moral fiber of our society decrease. Our Lord Jesus Christ laid down his rights and all His glory, to the heavens, to become a man and to serve, not to be served. (Phil 2:5-11 and Mark 10:45)

We ask you to consider laying down your rights on this mission trip. Not to lay them down for better or for worse, but to entrust them to the Lord or transfer the responsibility of them to a place of safe keeping. These rights may seem reasonable but on a short term mission trip they could cause dissension. **Would you take time to search your heart and consider your willingness to surrender your rights to the Lord?**
